THE BEST, NOW BETTER

Introducing the new JH501 College Hoodie 2.0 and the JH501J Kids Hoodie 2.0.

Every lesson learned from 18 years' perfecting print ready garments has been thoughtfully woven into this brand new hoodie.

Designed for outstanding print performance, lasting durability and a fit that feels just right. It delivers premium results with ease, every time.

WHAT'S CHANGED & WHY IT MATTERS

THE FABRIC

Cotton only print surface for improved absorption and superior print results that last.

Three-end fleece construction for thicker fabric, with a softer, more premium hand feel.

Better stretch for a comfortable feel and optimal fit.

20% finer yarn for a smoother surface, sharp prints and a softer hand feel.

Minimal shrinkage for a hoodie that stands the test of time.

THE STYLE

Three panel hood for a clean shape and structure.

Refined drawcords that are durable and on trend.

THE FIT

Optimised fit, with the same reliable sizing meaning you can purchase with confidence.

THE CUSTOMISATION

Even more moments for customisation helping you create truly personalised results.

COMPLEMENTARY HARDWARE

IN 24 ICONIC JH COLOURS

For the ultimate trend driven style, each colourway features either silver or gunmetal hardware, intentionally selected to complement every colour in the range.

Paired with our new drawcord which uses the same fine yarn as our fabric giving a premium finish.

GUNMETAL PAIRING

DESIGNED FOR DECORATION

DECORATION READY

The JH501's cotton only print surface improves absorption, delivering print results that last. More still, the hoodie features new moments for customisation* allowing you to perfect your print.

A+ RESULTS

Laser sharp DTF & DTG prints are shown above. The JH501 fabric was also rigorously tested with Screen Print, Embroidery and Vinyl.

*Extend your design to the hood, using the JH501's three panel structure.

*Add detail/branding to the locker patch. The tear away pip will never get in your way.
